Example Monthly Calendar

The graphics below shows an example of how you can use the calendar templates to schedule the specific classes and events including the times and coaches delivering each class or event. This is important to ensure that there is adequate cover for each program and that each of the programs connect together before scheduling these on the GLF.Locker:

Planning your Implementation

Once you have planned your calendar, you can then use these templates to plan your implementation steps for each program. In this example below, the 1st Week of Delivery is scheduled as Saturday 3rd April 2021 for the Junior Monthly Program. Working back from this date, we can then plan the implementations steps and the checklist tasks that need to be completed for that week. Add these as a note to your calendar templates or go one step further and add these as a reminder to your GLF.Locker or as a Leave in your schedule!
