On the Green Challenges Layout and Set Up

The graphic below provides an example of how each of the challenges connect together when laid out on your putting green:

Please find below a list of the equipment you require for these challenges:

Numbered Putting Cones

Mixed Colored Cones

6 ft diameter hoop

Tee Pegs

Swing Length Ladder

Equipment Needed

- 6 Tee Pegs
- Putting
- Golf Ball

How to Practice

- Get the learner to practice swinging the putter from and to the first tee pegs either side of the ball (red)
- As they practice, get them to count 1, 2. They should time the end of the backstroke with the the one count and the end of the through stroke with the two count
- Get them to hit a few putts and see how far the ball travels
- Next, get the learner to swinging the putter from and to the second tee pegs either side of the ball (red). Again they should reproduce the count of 1, 2.
- Get them to hit a few putts and see how the ball travels further
- Finally, replicate for the final set of tee pegs.

Technical Link

- This activity will help the learner to understand the concept of Swing Length, Rhythm and Tempo
- It will help the learner to understand that as swing length changes, the distance the ball travels changes
- It will help them to understand how length of swing transfers to distance

Closest to the Line Challenge

Equipment Needed

- String and Tee Pegs
- Putter
- Golf Ball

How to Play

- Learners take it in turns to choose which distance to start from
- The aim is to putt their ball closer to the line than their playing partner
- Whoever putts the ball closest wins a point, the person who gets to 10 points first wins the game

Progression Ideas

- Change the distances between the cones and the line
- Add a sloped surface to the game
- Introduce a rule that the ball has to go past the line to count

Learning the Game

This is different content compared to the content covered in the Themed Class this week.

Add to the content delivered in the themed class and provide further information on the following areas:

Using a Ball Marker

Introduce the concept of using a ball marker, highlight the rules of golf, whereby a player receives a penalty stroke for putting their ball and hitting another players' ball whilst on the putting green.

Encourage learners to use a ball marker within the games and challenges of the class so they get used to the process for when they play on the course!

Whole Golfer

This is an elaboration of the content covered in the Themed Class this week. Be clear that you are covering this so that anyone who missed the themed class is able to receive the content.

Add to the content delivered in the themed class and provide further information on the following areas:

Enjoy Error Full Practice

The Whole Golfer theme this week is to recommend that it is beneficial to learn how to enjoy error full practice. This means understanding that for each attempt that the learners make that doesn't go to plan is helping them to learn how to deliver the skill effectively.

The purpose of learning how to play shots from awkward lies is due to the fact that all golfers hit the ball into awkward positions. It is a fundamental part of the game, and to start off with an understanding that this is part of the challenge will benefit your learners greatly.

Secondary Skill

To allow for variety of practice during the session, and to enable those that may have missed a class to catch up on practicing some of the other skills we recommend having one of the stations set up as a secondary skill.

This week's secondary skill is **swing**, providing learners an opportunity to practice what was learnt in their swing classes.

Skill Challenges

Level 1

Short Putts Challenge

The Challenge

To complete the Level 1 Challenge the learner needs to putt 2/ 5 balls in the hole from 3 feet on a flat green surface from one position around the hole.

What should the Learner do next?

After attempting the challenge, the learner should:

- Log in to the GLF.Connect App
- If they complete the challenge, mark it as complete in the Challenge Section

Short Putts

Long Putts Challenge

The Challenge

To complete the Level 1 Challenge within the Long Putts skill element, the Learner has 5 attempts to putt 3 balls to within a 6 foot diameter circle around the hole from a single position 20 feet from the hole.

What should the Learner do next?

After attempting the challenge, the learner should:

- Log their score on the GLF.Connect App
- If they complete the challenge, mark it as complete in the Challenge Section

Long Putts

Scoring Challenge

Option 1

21 putts
or fewer

Option 2

The Challenge
