# Building your Course Template

Use the table below to build your 5 stage teeing system course ready for your course play event. Record the information in the table below ready to add to your Scorecard builder.

We recommend you print the Scorecard Builder from the Training Hub for referance as this also includes the recommended yardage guidelines.

As you build each of the holes on your course, use the guides below to mark the position of each of your teeing positions to help when setting up your tee markers. Add a note to mark a feature on the course to help locate the teeing position when setting up your event.

You should add the specific yardage to the table on Page 1.

| Example | Hole 1 | Hole 2 | Hole 3 |
|---|---|---|---|

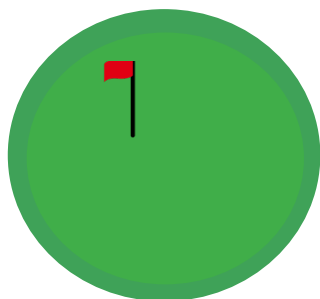

**THE CHIP:** END OF THE FAIRWAY ON LEFT SIDE

**THE APPROACH:** CENTRE OF THE FAIRWAY

**THE STINGER:** RIGHT SIDE & NEXT TO THE 2ND BUNKER

**THE DRIVE:** RIGHT SIDE & START OF THE FAIRWAY

**OFFICIAL TEE BOX:** BLUE TEES
