

Step 1: For the Fun of the Game

Golf is a great way to get outside and challenge yourself. It's a game that requires skill, strategy, and patience, making it a unique and exciting activity. Plus, it's a great way to spend time with friends and family. No matter your experience level, there's always something new to learn, making it a fun and rewarding game to play.

Step 1 of Game On is designed to welcome you to the game. In a relaxed, no-rules environment, we'll introduce you to swing, putting and chipping basics and help you feel comfortable and confident on the course.
