Class Layout and Setup

Fairway Woods Challenge Setup

Equipment Needed

- Orange safety cones for a safety line
- Marker cones to represent the tee markers at the challenge station
- Coloured cones to mark out the carry lines for the level 2 and 3 challenges
- Alignment Sticks with a foam noodle on top to mark out the target gates

Setting out the Challenge

- Use cones to mark out the carry distance lines for the level 2 and 3 challenges
- Alignment sticks with foam noodles should be used to measure the gates for the level 4-6 challenges at the target distances and widths
- Set out all the markers to enable every child to attempt their challenges in the class

Rock, Paper, Scissors

How to Play

- Split the children into two even teams
- Mark out 10 hoops, approximately 1 yard apart in a line or in a curve
- Half the group starts at one end, the other half starts at the other
- The first child from each side bunny hops along the hoops until they meet in the middle
- They play Rock, Paper, Scissors when they meet. The winner continues along the line, the loser runs to the back of their group, and the next player on that team bunny hops to meet their opponent
- This continues until one of the groups gets to the other side of the line of cones or the coach calls time on the game. If the coach calls time, the team that is closest to the oppositions' end wins

Progression Ideas

- Explore FMS during the game
- Change the distance between the hoops

Personal Hard work

- The Whole Child theme this week is to encourage hard work and an understanding that no matter how good you get you have to work hard to achieve great things.
- Carry this theme into the class by explaining to them how practice is key to improving, but practice is hard work and to be the best they will have to put in the the work.

Rules and Etiquette Practicing safely

- The Learning the Game focus this week is about understanding where to practice safely, in particular with short game shots.
- You should highlight to your juniors best practice of knowing where to stand when practicing around the green. Not to aim directly across the green where someone else is in line just incase of a poor shot.

Tug of War

How to Play

- Child number 1 starts and attempts to hit their shot to the target
- Then the next child attempts their shot. The player who hits it nearest to the target moves the cone one place to their side
- The winner is the one who gets the centre white cone to their end cone

Progression Ideas

- Vary the target on each shot
- Vary the distance between the tee box and the green
- Add hazards for penalty cones
- Add different targets to increase the number of moves across the cones

Equipment needed

2 x Orange Safety Cones

Power Play

How to Play

- Children take it in turns to do a standing long jump from the first set of cones, seeing if they can jump past the next two sets of cones
- After jumping as far as possible they then try to hit the ball as far as possible
- The children take it in turns to do this, each time trying to beat their personal best long jump, and furthest shot

Progression Ideas

- Vary the movement before each shot, furthest hop, throw, etc.
- Add different targets to aim for when hitting
- Use different clubs to see which ones go the furthest

Learning Outcomes

- Improve strength and power
- Learn how improving different movement skills can improve their golf shots
