Layout and Setup

Class Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Stations 1, 2 and 3 are **Game Stations**. At these stations the children play in pairs or play the games independently with occasional supervision from the coach
- Station 4 is the **Free Practice Station**. It is at this station the child can develop their fundamentals under guidance from the coach, away from any form of game or competitive play. You may decide the lay out a technical drill if appropriate for the child
- Children should play in pairs, with stations 1 and 2 being a pair, another pair at station 3 and the last pair at station 4
- Children should rotate around the stations, with each pair spending approximately **8 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the juniors where they are required to stand when not hitting from the hitting station
 - Dividers should be used to identify the hitting stations
 - Baskets should be placed to the side of the golfers and behind the hitting area
 - Juniors should never go in front of the hitting stations to collect a golf ball or golf club
 - Juniors should always exit the hitting stations from the rear by crossing the orange safety cones

Station 4:
Free Practice Station

Physical Literacy Warm Up Game

Bunny Hops

How to Play

- Split the children into even groups, ideally two groups of 3
- Number the children players 1 – 3
- Child number 1 starts with their hand on the starting cone
- On go, the child jumps with both feet or hops with into each step of the ladder
- The team that wins is the one who gets all players home first.

Progression Ideas

- Add extra goes for each child
- Decrease or increase the distance between the markers
- Play the game with different fundamental movements such as single leg jumping and alternative leg jumping
- Increase the number of steps of the ladder
- Increase the width of the ladder steps.

Equipment Needed

4 x Orange Safety Cones

SAFETY

4 x Cones

Ladder

Fundamental Movement Skills (FMS)

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

Kick

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

Run

Explore this skill at a range of speeds, and going backwards

Hop

Explore this skill by alternating legs on the spot and in dynamic motion

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

Jump

Explore this skill by exploring the movement in multiple directions

Stand on one leg

Explore this skill by exploring balancing on both legs

Crawl

Explore this skill by exploring using different segments of the body

The Whole Child

Cognitive Effort

The Whole Child theme this week is focussing on praising the effort that the children put into their games and practice.

Carry this theme into the class by suggesting the idea of additional practice sessions and being more attentive to coaching the children on the free practice station.

It should be highlighted that the Achiever Award is presented to the child that displays the most effort within the games and challenges. An example of this could be continuing to practice even when it's not going well.

Taking the time to highlight this to the parents and children at the end of the lesson will reinforce the characteristics that embody the Crush It program.

An Achievement Sticker can be added to the myAcademy Folder if applicable to your program.

IT!** 
JUNIOR GOLF

Reinforcing positive behaviours

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

Personal verbal reinforcement:

- “Love that attitude”
- “That’s the attitude we’re looking for”
- “Great effort, keep it up”

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

Learning the Game Focus

Playing and Scoring Ground Under Repair

The Learning the Game focus this week is to make sure children understand about the rules for Ground Under Repair.

You should demonstrate what they need to do and how to take a drop in the appropriate place.

Use the lesson to highlight what the children might need and when they might need it throughout a round of golf.

Carry this theme throughout the class and reward any behaviours with an achievement sticker.

Questions to Ask

- What do you do if your ball lands in Ground Under Repair?
- Where do you drop your ball?
- How do you drop your ball?

Mastering the Game Cards

Choose your Trajectory

How to Play

- Give the target circles different points
- Each child has 10 shots and tries to accumulate as many points as possible for their team based on where the ball finishes
- In order to score points the player must hit the ball through the gap nominated by their playing partner
- The team try to score the most points from their 10 shots, and then try to beat that score on the next go

Progression Ideas

- Specify which club must be used
- Change the size of the target circles
- Vary the size of the gaps created by the foam noodles
- Vary the starting point from around the green
- Add penalty points if the child is unsuccessful on getting the ball onto the green or in the target circles

Learning Outcomes

- Controlling strike to get a consistent trajectory
- Understanding the loft of the club and it's influence on trajectory
- Develop the ability to control the flight of the ball, hitting different trajectories, using the same golf club

Equipment needed

Orange Safety Cones

SAFETY

Cones to mark starting position

Target Rings

Spare equipment that may be required for the group attendees.

Golf Balls

2 x Alignment Sticks

3 x Foam Noodles

CRUSH
IT!
JUNIOR GOLF

Golf Tennis

How to Play

- Be sure to set up the game in a safe area, and highlight that players should not stand opposite each other when playing their shots
- Nominate a player to play first. One child is the
- The first player attempts their shot and aims to get their ball to bounce in the opposing player's box
- If successful and the ball stays in the box then the opposing player plays the ball from wherever it finishes. If the ball rolls out of the area then the opposing player places the ball on the base line and plays their shot from there
- The game can be scores like tennis, where if a player misses the box then the opposing player scores 15 points, alternatively they can score 1 point
- The game continues until a player wins the game like in a tennis match, or until a player scores 5 points

Progression Ideas

- Vary the size of the area
- Vary the club that is being used
- Change the ball being use to a tennis ball or soft ball
- Introduce a rule that the ball has to land and finish in the opponent's area

Equipment needed

Orange safety cones

SAFETY

10 x Green cones to mark out half of the court

10 x Yellow cones to mark out half of the court

5 x Red cones to mark the center line

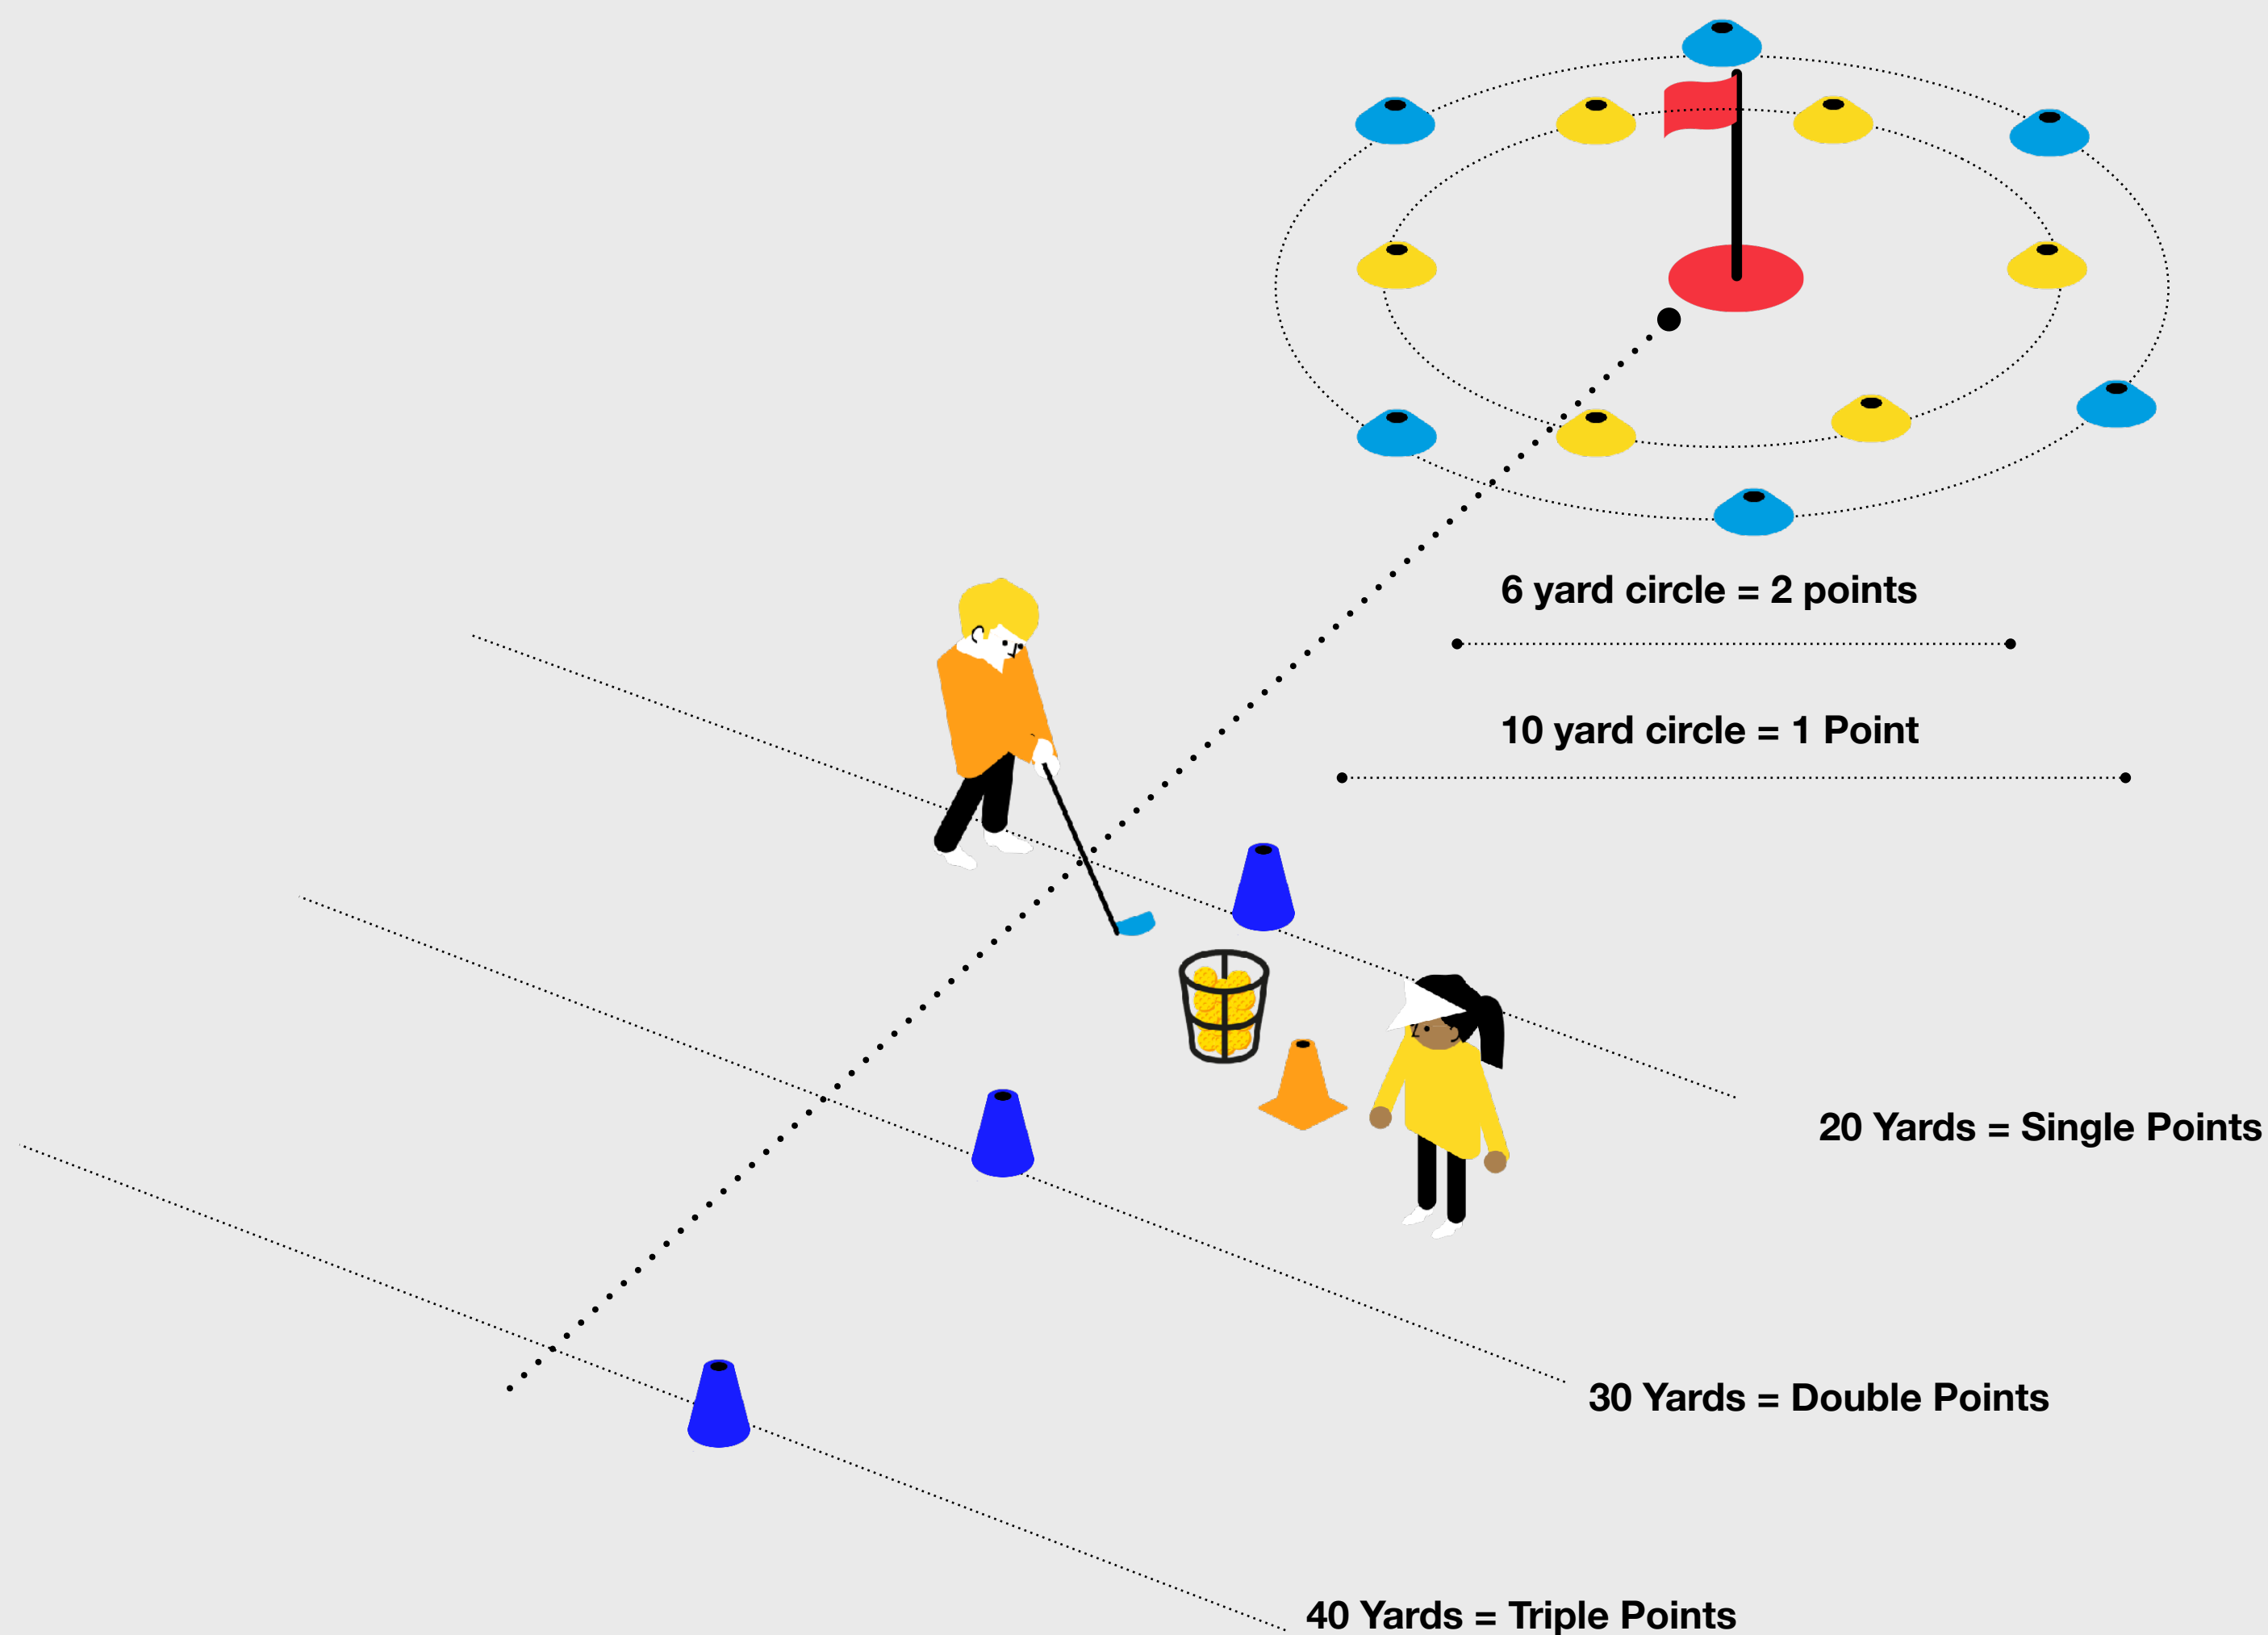

1 x Golf ball

CRUSH
IT!
JUNIOR GOLF

Single, Double, Triple - Pitching

How to Play

- Players take it in turns to choose which distance they want to start from
- If the player starts from the 20 yard line and they pitch the ball inside the 10 yard circle they score 1 point, or 2 points for the 6 yard circle
- If the player starts from the 30 yard line they score double points; 4 points inside the the 6 yard circle, or 2 points for the 10 yard circle
- If the player chooses to start from the 40 yard they score triple points; 6 points for pitching the ball into the 6 yard circle and 3 points if they pitch the ball into the 10 yard circle
- The game continues until both players have hit 5 shots, the winner is the player who has the most points after 5 shots

Progression Ideas

- Vary the starting point around the green
- Vary the club that is being used
- Change the distance from the green
- Change the size of the target circles
- Change the points given for each circle
- Change the number of shots each player is allowed

Equipment needed

Orange safety cones
