Layout and Setup

Class Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Station 1 is the **Challenge Station**. This is where the child, under the supervision of the coach, can attempt the Mastering the Game Challenge to achieve their Achiever Sticker, virtual reward on GLF. Connect and work towards their pins and hats
- Stations 2 and 3 are **Game Stations**. At these stations the children play in pairs or play the games independently with occasional supervision from the coach
- Station 4 is the **Free Practice Station**. It is at this station the child can develop their fundamentals under guidance from the coach, away from any form of game or competitive play. Those in the Practice Station rotate with their partner in the Challenge Station. You may decide the layout a technical drill if appropriate for the child
- Children should play in pairs, with stations 1 and 2 being a pair, another pair at station 3 and the last pair at station 4
- Children should rotate around the stations, with each pair spending approximately **8 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the juniors where they are required to stand when not hitting from the hitting station
 - Dividers should be used to identify the hitting stations
 - Baskets should be placed to the side of the golfers and behind the hitting area
 - Juniors should never go in front of the hitting stations to collect a golf ball or golf club
 - Juniors should always exit the hitting stations from the rear by crossing the orange safety cones

- 2 target circles are placed around each of these targets at the diameters in the graphic opposite
- One starting position is marked in the bunker using cones

Equipment Required

- Orange cones to mark out a safety line
- Marker cones to represent the tee markers
- Cones to mark target circles
- Flag
- Alignment sticks for a flag if this isn't possible

- The team that wins is the one who gets all players home first.

Progression Ideas

- Add extra goes for each child

Fundamental Movement Skills (FMS)

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

Kick

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

Run

Explore this skill at a range of speeds, and going backwards

Hop

Explore this skill by alternating legs on the spot and in dynamic motion

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

Jump

Explore this skill by exploring the movement in multiple directions

Stand on one leg

Explore this skill by exploring balancing on both legs

Crawl

Explore this skill by exploring using different segments of the body

The Whole Child

Creative Ambitious

The Whole Child theme this week is focussing on developing an ambitious attitude.

Carry this theme into the class by prompting the children to take on a tougher shot or set a more difficult goal within the session that they wouldn't usually attempt, and even talk about future ambitions.

It should be highlighted that the Achiever Award is presented to the child that displays ambition either within the challenges or in conversation with the coach or other players.

Taking the time to highlight this to the parents and children at the end of the lesson will reinforce the characteristics that embody the Crush It program.

An Achievement Sticker can be added to the myAcademy Folder if applicable to your program.

Reinforcing positive behaviours

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

Personal verbal reinforcement:

- "Love that attitude"
- "That's the attitude we're looking for"
- "Great effort, keep it up"

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

Learning the Game Focus

Rules and Etiquette

Play the ball as it lies

The Learning the Game focus this week is about playing the ball as it lies

You should highlight to your juniors the importance of practicing from difficult lies, not improving your lie to make life easier

Make sure you cover the ruling of what happens if you do improve your lie on the golf course

Carry this theme throughout the class and reward any behaviours with an achievement sticker.

**CRUSH

JUNIOR GOLF

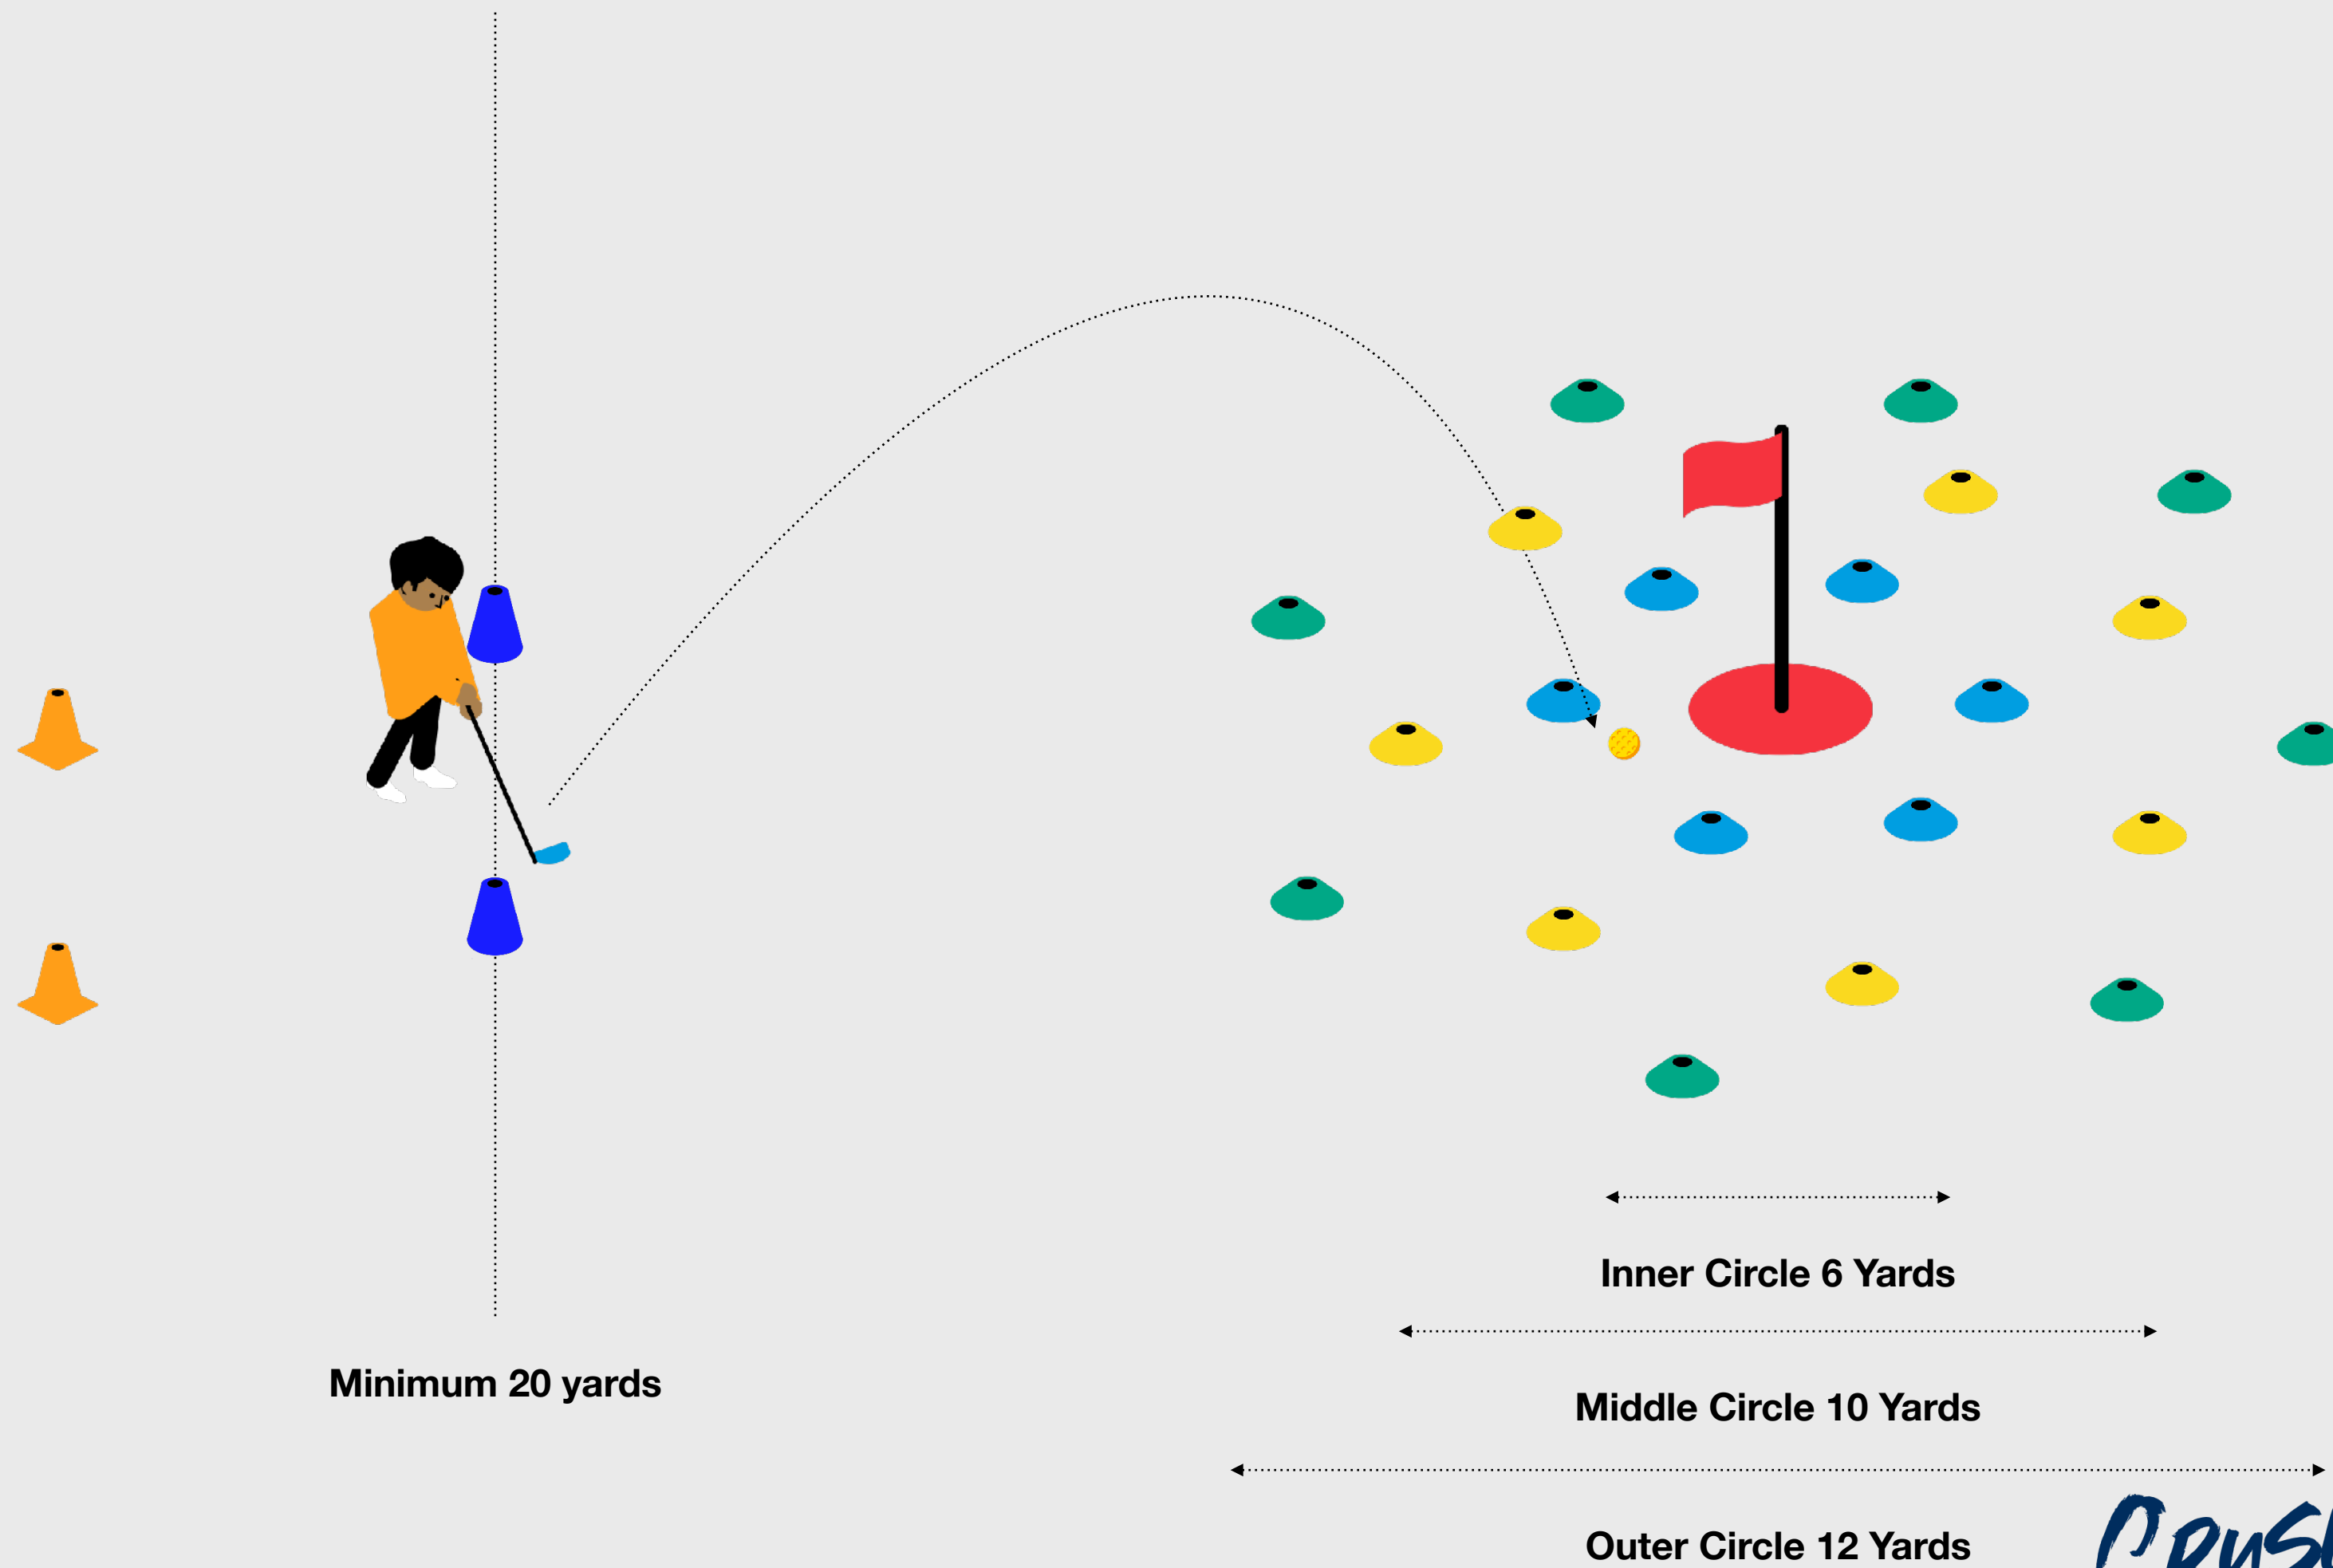

Questions to Ask

- Why should we practice from difficult lies?
- What is a good attitude to have if you find yourself in a difficult lie?
- What is the ruling if you are found to be improving your lie on the golf course?
- If you're not sure about a ruling or if you're allowed to take relief on the course?

- Vary the starting point from around the green
- Introduce a rule that the ball must land over the fringe to count
- Add penalty points if the child is unsuccessful on getting the ball onto the green or in the target circles

Learning Outcomes

- Control of distance and direction when pitching
