# **Class Layout and Setup**

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Stations 1, 2 and 3 are **Game Stations**. At these stations the children play in pairs or play the games independently with occasional supervision from the coach
- Station 4 is the **Free Practice Station.** It is at this station the child can develop their fundamentals under guidance from the coach, away from any form of game or competitive play. You may decide the lay out a technical drill if appropriate for the child
- Children should play in pairs, with stations 1 and 2 being a pair, another pair at station 3 and the last pair at station 4
- Children should rotate around the stations, with each pair spending approximately 8 minutes to spend at each station. Each child should get an opportunity at each station during the class
- Safety is your top priority when running your class, please remember to;
  - Add your orange safety cones behind each station to identify to the juniors where they are required to stand when not hitting from the hitting station
  - Dividers should be used to identify the hitting stations
  - Baskets should be placed to the side of the golfers and behind the hitting area
  - Juniors should never go in front of the hitting stations to collect a golf ball or golf club
  - Juniors should always exit the hitting stations from the rear by crossing the orange safety cones

# **Ball Toss**

# Hop on one leg!

# **Coach commands**

- Hop on one leg
- Switch legs
- Throw log
- Throw high
- Step left
- Step right
- Changeover
- Jog on the spot
- Hop on one leg
- Stand on one leg
- One arm catching

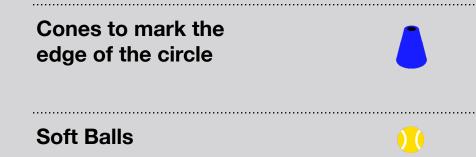

# How to Play

- This game is played individually. Children form a small circle an even distance apart. Each child starts with 3 points.
- One child starts with the ball, and the aim is to throw the ball to another child directly at stomach height. When throwing the ball, the aim is attempts to throw that the other child can catch.
- If the ball is dropped, the player loses a point. If a plyer throw the ball out of reach of a player, the lose a point.
- When a child loses all of their points, they exit the game and the game continues until one player is left.

# **Progression Ideas**

- Increase the distance between each child
- Increase the size of the circle
- Add multiple balls into the game.
- Decrease the size of the ball
- Use faster and more advanced coach commands during the game

# **Equipment Needed**

# **Fundamental Movement Skills (FMS)**

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

# **Kick**

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

# Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

# Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

# Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

# Jump

Explore this skill by exploring the movement in multiple directions

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

9

Run

Explore this skill at a range of speeds, and going backwards

# Hop

Explore this skill by alternating legs on the spot and in dynamic motion

# Stand on one leg

Explore this skill by exploring balancing on both legs

Crawl

Explore this skill by exploring using different segments of the body

# The Whole Child

# **Personal** Passion

The Whole Child theme this week is to encourage the children to develop a passion for the game.

Carry this theme into the class by showing the children some clips of golfers celebrating and explain how it is important to celebrate the good moments.

It should be highlighted that the Achiever Award is presented to the child that displays a passion for golf, the games and challenges that the children are playing.

Taking the time to highlight this to the parents and children at the end of the lesson will reinforce the characteristics that embody the Crush It program.

An Achievement Sticker can be added to the myAcademy Folder if applicable to your program.

### **Reinforcing positive behaviours**

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

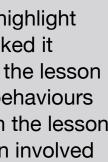

Personal verbal reinforcement:

- "Love that attitude"
- "That's the attitude we're looking for"
- "Great effort, keep it up"

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

# Learning the Game Focus

# **Rules and Etiquette Ready Golf**

The Learning the Game focus this week is learning to play "Ready Golf"

You should highlight to the children that it is important to be ready to play when it is their turn, this helps to keep the pace of play with the rest of the field

Be sure that children understand it is important that they don't play slowly as this will frustrate other golfers.

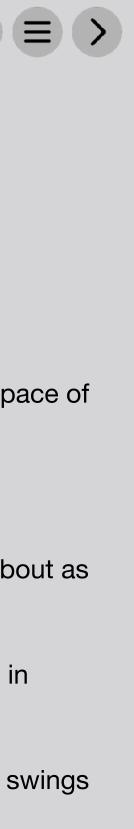

Carry this theme throughout the class and reward any behaviours with an achievement sticker.

### **Questions to Ask**

- Why is it important to keep up the pace of play?
- Who's turn is it next?
- What do you need to be thinking about as you approach your shot?
- Do you need to get anything ready in preparation for your shot?
- When can you start doing practice swings for your shot?

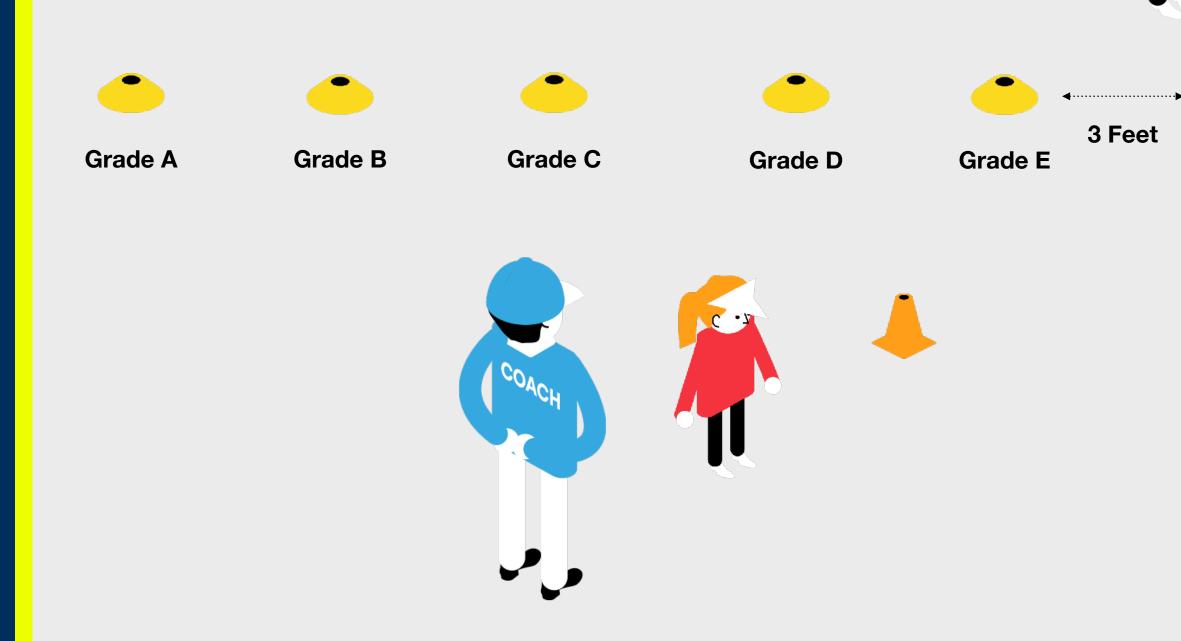

# Mastering the Game Cards

# **Back to School**

### How to Play

- Aim of the game is achieve a Grade A by making a putt from each of the cones
- Nominate a child to play first
- From the starting cone at 5 feet, if the putt is holed the player moves back a cone and can have another go. If the putt is missed the player has to wait until their go to have another attempt
- The player who wins is the one who reaches the Grade A cone first and holes their putt

### **Progression Ideas**

- Change the distance between the starting cone and the hole
- Change the distance between each of the cones
- Introduce a rule where the number of attempts is limited otherwise the player moves back a step
- Attempt the game on a sloped surface

### Learning Outcomes

- A great game to explore the concept of distance control and direction control
- This game will also explore skill development under pressure

### **Equipment needed**

### 2 x Orange Safety Cones

SAFETY

6 x Colored Cones

**Golf Balls** 

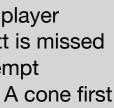

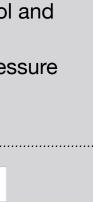

Grade F

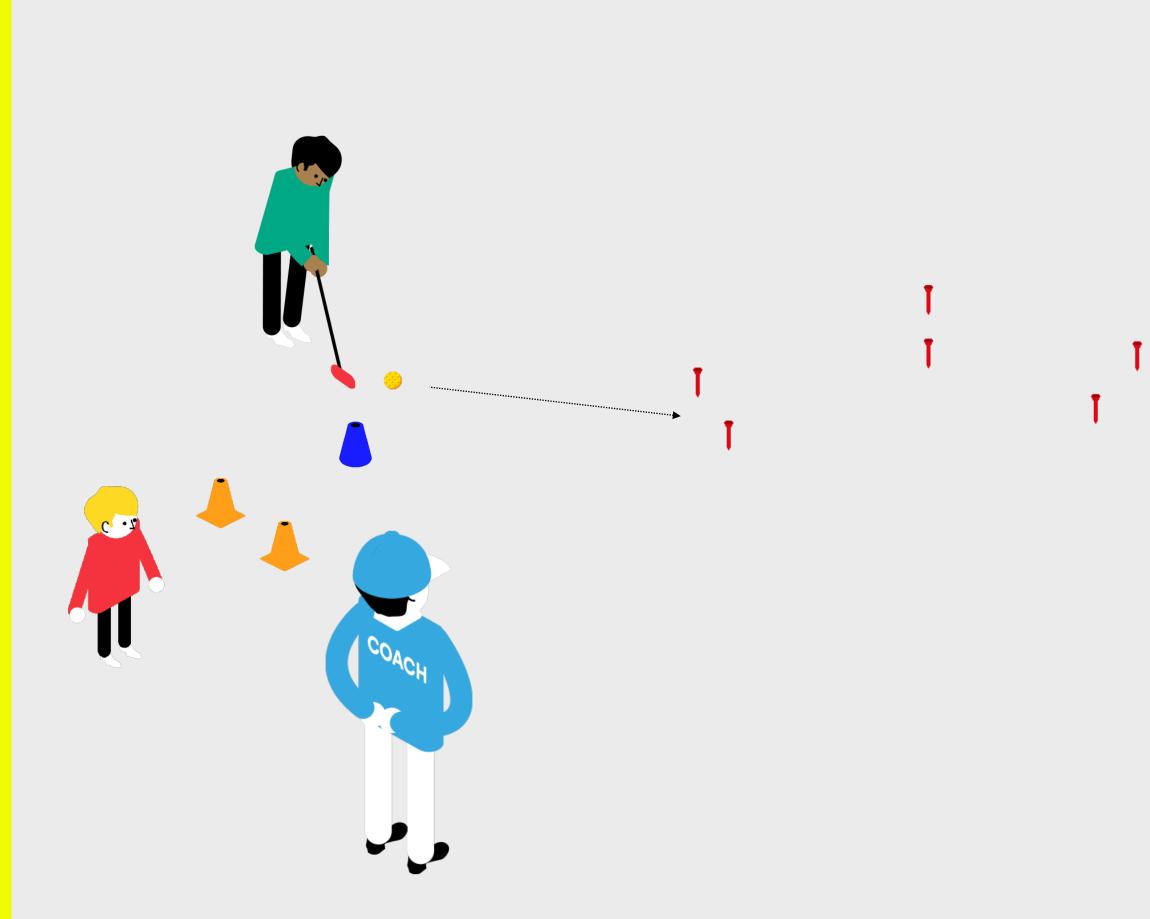

# **Through the Gates**

### How to Play

- Players take it in turns to hit the ball
- The aim is to get the ball through each of the gates in turn and then putt it into the hole
- If misses a gate they have to putt it back and get it through the correct direction
- The team should count how many putts it takes them to get the ball into the hole and then try to beat that score

# **Progression Ideas**

- Change the distance between the starting cone and first gate
- Change the distance between each of the gates
- Reduce the size of the gates
- Attempt the game on a sloped surface
- Place a ball on each of the tees and introduce a rule that if the team knock a ball off they have to start again

# **Learning Outcomes**

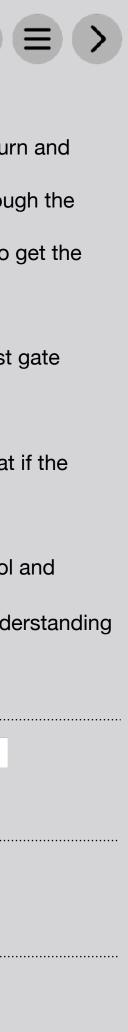

- A great game to explore the concept of distance control and direction control
- This game will also explore green reading skills and understanding the impact of slopes on the roll of the ball

### How to Play

- Place the first cone two feet from the hole, and then each cone in order with one foot between each one
- Nominate a child to play first. Each child has five putts to score as many points as possible
- The child chooses a starting position, and if they putt the ball successfully they will score as many points as the number on the cone
- Children take it in turns to putt
- The child who wins is the one who scores the most points out of their five putts

# **Progression Ideas**

- Change the distance between the starting cone and the hole
- Change the distance between each of the cones
- Attempt the game on a sloped surface

# Learning Outcomes

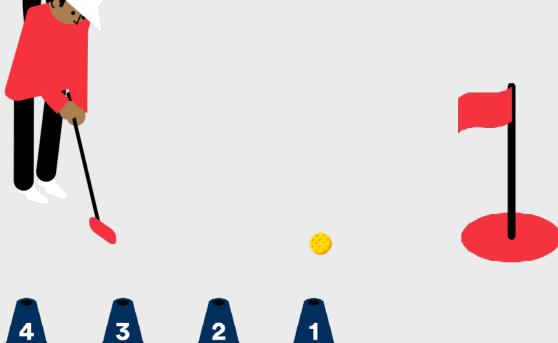

• A great game to introduce the concept of risk and reward, along with improving accuracy and distance control
