Layout and Setup

Class Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Station 1 is the **Challenge Station**. This is where the child, under the supervision of the coach, can attempt the Mastering the Game Challenge to achieve their Achiever Sticker, virtual reward on GLF. Connect and work towards their pins and hats
- Stations 2 and 3 are **Game Stations**. At these stations the children play in pairs or play the games independently with occasional supervision from the coach
- Station 4 is the **Free Practice Station**. It is at this station the child can develop their fundamentals under guidance from the coach, away from any form of game or competitive play. Those in the Practice Station rotate with their partner in the Challenge Station. You may decide the layout a technical drill if appropriate for the child
- Children should play in pairs, with stations 1 and 2 being a pair, another pair at station 3 and the last pair at station 4
- Children should rotate around the stations, with each pair spending approximately **8 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the juniors where they are required to stand when not hitting from the hitting station
 - Dividers should be used to identify the hitting stations
 - Baskets should be placed to the side of the golfers and behind the hitting area
 - Juniors should never go in front of the hitting stations to collect a golf ball or golf club
 - Juniors should always exit the hitting stations from the rear by crossing the orange safety cones

Fairway Woods Challenge Setup

Equipment Needed

- Orange safety cones for a safety line
- Marker cones to represent the tee markers at the challenge station
- Coloured cones to mark out the carry lines for the level 2 and 3 challenges
- Alignment Sticks with a foam noodle on top to mark out the target gates

Setting out the Challenge

- Use cones to mark out the carry distance lines for the level 2 and 3 challenges
- Alignment sticks with foam noodles should be used to measure the gates for the level 4-6 challenges at the target distances and widths
- Set out all the markers to enable every child to attempt their challenges in the class

Physical Literacy Warm Up Game

Hand Volleyball

How to Play

- This game is played in two teams. Players are split evenly and one team starts on one side of the court and one team starts on the other side of the nett.
- The player serves by using the palm of their hand to hit the ball over the nett
- The ball is able to bounce once and the opposing team attempt to return the ball over the nett using their hand
- Players may pass the ball between team mates but are unable to let the ball drop
- A team scores a point when the opposing team is unable to return the ball or hits it outside of the cones

Progression Ideas

- Call out the commands faster and faster
- Add in more numbers and therefore more actions to remember

Equipment Needed

Cones for the Net Line

Colored cones for the Court

Large Soft Ball

Fundamental Movement Skills (FMS)

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

Kick

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

Run

Explore this skill at a range of speeds, and going backwards

Hop

Explore this skill by alternating legs on the spot and in dynamic motion

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

Jump

Explore this skill by exploring the movement in multiple directions

Stand on one leg

Explore this skill by exploring balancing on both legs

Crawl

Explore this skill by exploring using different segments of the body

The Whole Child

Creative

My Hero

The Whole Child theme this week is to ask the children who their hero is, and why they have chosen that person as their hero.

Carry this theme into the class by encouraging the children to impersonate their hero when playing their shots.

It should be highlighted that the Achiever Award is presented to the child that demonstrates characteristics of their hero.

Taking the time to highlight this to the parents and children at the end of the lesson will reinforce the characteristics that embody the Crush It program.

An Achievement Sticker can be added to the myAcademy Folder if applicable to your program.

Reinforcing positive behaviours

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

Personal verbal reinforcement:

- “Love that attitude”
- “That’s the attitude we’re looking for”
- “Great effort, keep it up”

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

Learning the Game Focus

Orientation

Par 3, Par 4, Par 5

The Learning the Game focus this week is learning about Par 3s, 4s and 5s.

You should introduce to your juniors the difference between the pars and make sure they understand that they should reach a Par 3 in one shot, Par 4 in two shots and a Par 5 in three shots.

Use the JGA Course Play guidance toward out how long their par 3s, 4s and 5s should be depending on their driving distance.

Carry this theme throughout the class and reward any behaviours with an achievement sticker.
