Layout and Setup

Class Layout and Setup

The graphic opposite provides an example image of how we suggest you layout your class so that the learning outcomes and activities can be delivered in a safe, fun and engaging manner. We suggest running the class as follows:

- Stations 1, 2 and 3 are **Game Stations**. At these stations the children play in pairs or play the games independently with occasional supervision from the coach
- Station 4 is the **Free Practice Station**. It is at this station the child can develop their fundamentals under guidance from the coach, away from any form of game or competitive play. You may decide the lay out a technical drill if appropriate for the child
- Children should play in pairs, with stations 1 and 2 being a pair, another pair at station 3 and the last pair at station 4
- Children should rotate around the stations, with each pair spending approximately **8 minutes** to spend at each station. Each child should get an opportunity at each station during the class
- Safety is your top priority when running your class, please remember to;
 - Add your orange safety cones behind each station to identify to the juniors where they are required to stand when not hitting from the hitting station
 - Dividers should be used to identify the hitting stations
 - Baskets should be placed to the side of the golfers and behind the hitting area
 - Juniors should never go in front of the hitting stations to collect a golf ball or golf club
 - Juniors should always exit the hitting stations from the rear by crossing the orange safety cones

Physical Literacy Warm Up Game

Hop Frog Zig-Zag

How to Play

- Split the children into even groups, ideally two groups of 3
- Number the children players 1 – 3
- Child number 1 starts with their hand on the starting cone
- On go, the child jumps with both feet together into each hoop in alternative directions
- The team that wins is the one who gets all players home first

Progression Ideas

- Add extra goes for each child
- Decrease or increase the distance between the markers
- Play the game with different fundamental movements such as single leg jumping and alternative leg jumping
- Increase the number of steps of the ladder
- Increase the width of the ladder steps.

Fundamental Movement Skills (FMS)

During your Warm Up Game, explore a range of Fundamental Movement Skills (FMS). The children should be encouraged to experiment and develop these movements and you can tailor the difficulty of the specific movement to each child or warm up game.

Kick

Explore this skill using both feet, different parts of the foot and kicking in the air and on the ground

Throw

Explore this skill using both arms, underarm and overarm throws as well as at a range of heights

Skip

Explore this skill using a rope and in dynamic motion at a range of speeds

Run

Explore this skill at a range of speeds, and going backwards

Hop

Explore this skill by alternating legs on the spot and in dynamic motion

Side-step

Explore this skill by alternating sides, touching heels and crossing legs

Dodge

Explore this skill by getting the child to dodge static and dynamic obstacles at a range of heights

Jump

Explore this skill by exploring the movement in multiple directions

Stand on one leg

Explore this skill by exploring balancing on both legs

Crawl

Explore this skill by exploring using different segments of the body

The Whole Child

Creative Imagination

The Whole Child theme this week is to encourage the children to use their imagination in practice and on the golf course.

Carry this theme into the class by urging children to imagine the shot they're going to hit before each shot and explain how this can help them to hit successful shots more regularly.

It should be highlighted that the Achiever Award is presented to the child that has demonstrated a great imagination, this could be related to golf or outside of golf.

Taking the time to highlight this to the parents and children at the end of the lesson will reinforce the characteristics that embody the Crush It program.

An Achievement Sticker can be added to the myAcademy Folder if applicable to your program.

Reinforcing positive behaviours

There are lots of ways to reinforce the positive behaviours we want to see in your junior golfers.

Non-verbal reinforcement:

- Thumbs up
- Nod of your head
- A smile

Personal verbal reinforcement:

- “Love that attitude”
- “That’s the attitude we’re looking for”
- “Great effort, keep it up”

Group reinforcement:

- Stop the class, get everyone together, and highlight the behaviour you observed, and why you liked it
- Awarding the Achiever reward at the end of the lesson is a great opportunity to reinforce positive behaviours
- Be sure to pinpoint two or three moments in the lesson that stood out to you and praise the children involved

Learning the Game Focus

Rules and Etiquette

How many clubs are you allowed in your bag?

The Learning the Game focus this week is about the different clubs in your bag and how many you are allowed to use.

You should make sure your juniors understand they don't need to have 14 clubs to play golf well, but that is the maximum number any player is allowed.

Find out how much your juniors know about the different types of clubs and what they are used for.

Carry this theme throughout the class and reward any behaviours with an achievement sticker.

Questions to Ask

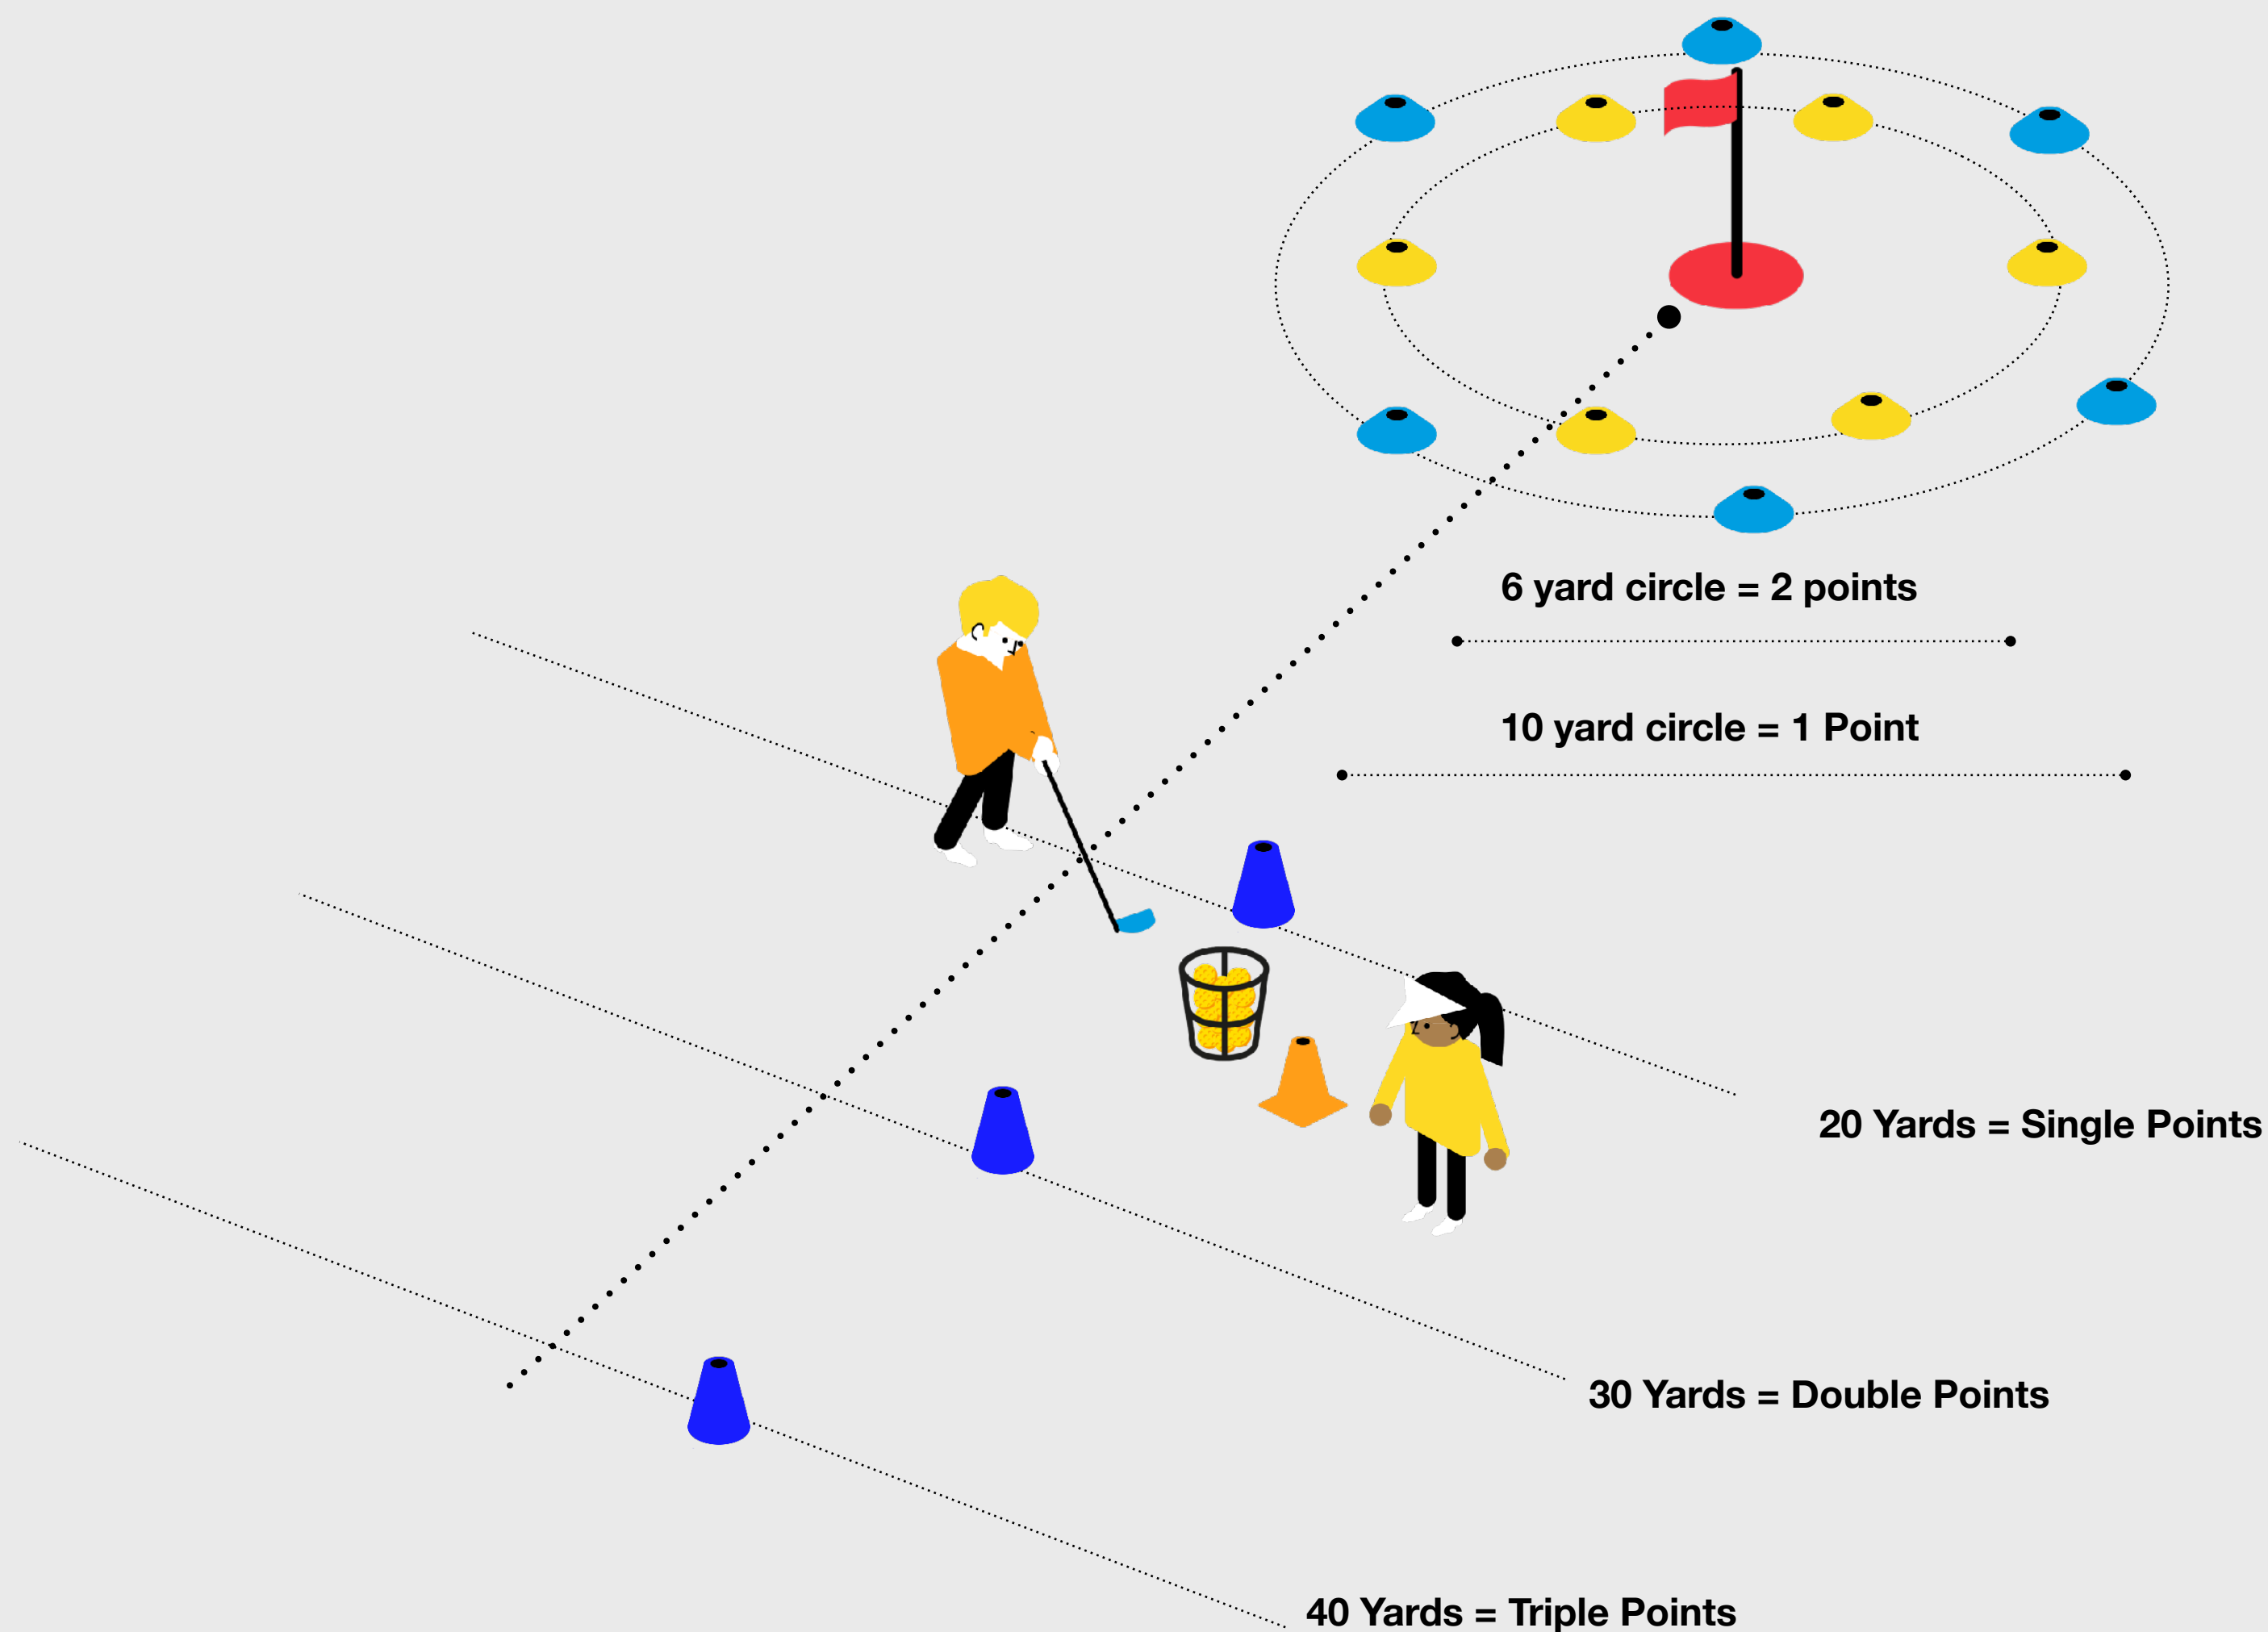

- How many clubs are you allowed to play with?
- What is the lowest number of clubs that you could use to play golf?
- Can you hit different shots with just one club?
- What are the different clubs designed to do?

Mastering the Game Cards

Single, Double, Triple - Chipping

How to Play

- Players take it in turns to choose which distance they want to start from
- If the player starts from the 20 yard line and they chip the ball inside the 10 yard circle they score 1 point, or 2 points for the 6 yard circle
- If the player starts from the 30 yard line they score double points; 4 points inside the the 6 yard circle, or 2 points for the 10 yard circle
- If the player chooses to start from the 40 yard they score triple points; 6 points for pitching the ball into the 6 yard circle and 3 points if they chip the ball into the 10 yard circle
- The game continues until both players have hit 5 shots, the winner is the player who has the most points after 5 shots

Progression Ideas

- Vary the starting point around the green
- Vary the club that is being used
- Change the distance from the green
- Change the size of the target circles
- Change the points given for each circle
- Change the number of shots each player is allowed

JUNIOR GOLF

Tic Tac Toe - Rings

How to Play

- One child is the X's and the other child is the O's
- The objective is for the child to place their colored cones into the center of the hoop by either landing or rolling the ball into the hoop. This should be defined at the start of the game by the coach
- When the child successfully gets the ball into the hoop that has been nominated, they place their colored cone into the centre of the hoop
- The child who wins is the one who makes 3 in a row in one direction

Progression Ideas

- Vary the distance between the hoops
- Vary the distance between the starting point around the green and the hoops
- Increase the number of shots that must go into the hoops before the hoop is owned
- Define whether the ball lands or rolls into the hoop
- Introduce a fringe in front of the player and the ball only counts if it lands over the fringe

Equipment needed

Tug of War

How to Play

- Child number 1 starts and attempts to hit their shot to the target
- Then the next child attempts their shot. The player who hits it nearest to the target moves the cone one place to their side
- The winner is the one who gets the centre white cone to their end cone

Progression Ideas

- Vary the target on each shot
- Vary the distance between the tee box and the green
- Add hazards for penalty cones
- Add different targets to increase the number of moves across the cones

Learning Outcomes

- Improve overall ability to strike the ball well, control direction and consistency of distance
