## Cognitive

### Feeling Nervous

- The Whole Child theme this week is to learn that feeling nervous is normal and actually can be beneficial to performance.
- Carry this theme into the class by encouraging children to be open to sharing with the group a time that they have felt nerves and not let it affect them negatively.

## Rules and Etiquette

### Introduce Rules in a Bunker

- The Learning the Game focus this week is about the rules we need to know when playing from a Bunker.
- You should highlight to your juniors that it is ok to move loose impediments, however you must not take a practice swing or touch the sand in front of or behind your ball.

# Throw then Chip

## How to Play

- Give the target circles different points
- Each child has 5 throws and 5 bunker shots
- The aim is to accumulate as many points as possible as a team, based on where the ball finishes
- The pair should try to beat their personal best score each time

## Progression Ideas

- Change the size of the target circles
- Introduce a rule that the ball must land over the fringe to count
