

Subject: Crush It Halloween Scramble

Dear [insert parent's name],

We are excited to announce the date of our upcoming Halloween Scramble!

This is a super fun event that is aimed at Crush It participating juniors and their friends. The event is run in a Texas Scramble format in teams of 4. Your child can invite a friend to participate in the event and they will be paired with another pair on the day.

Teams will play up to 9 holes on our Par 3 adapted course with the distance of each hole ranging between 50 - 150 yards. The format and course length makes it ideal for all, regardless of ability or experience. No previous experience is necessary for your child's friend and we can provide all the equipment required.

There will be fun competitions, and juniors are encouraged to dress in their most festive costume to compete for a prize as the best dressed!

If you are interested in entering the event, visit the link below and register your child's place. The name of their friend they would like to invite to attend can be shared nearer to the event date. There are only spaces for 18 pairs in this fun event, so book now!
